MEMORANDUM:

Mr. Harvie.

Re Special Grant No. 3447.

By Letters Patent of date 30th December, 1912, certain lands were conveyed to the Synod of Diocese of Qu'Appelle, The Church of England in Canada, Regina, Saskatchewan,

"TO HAVE AND TO HOLD the same unto the Corporation its successors and assigns, so long as the same are, and upon the trust and subject to the condition that the same shall be used for Church purposes, and for no other purpose or purposes whatsoever."

These lands are as follows:

Two acres in the North East quarter of Section 21, Township 9, Range 10, West of the 4th Meridian.

As you are aware, at the request of the Department, inspections of all special grants for specific purposes are being made, with the result that in this case information has been submitted by Inspector Bowyer, under date 23rd September, 1929, to the effect that there are a frame church 16 X 30, with annex 10 X 12, value (both apparently) $200.00, on this site, but the congregation has broken up, and no services have been held in this building for several years, while the seats, stove and other church furniture have been removed. The building is not being used for any purpose.

When application for this grant was received the whole quarter section was under homestead entry to one Frank Sutton, who released the two acres from his entry that it might be available for the church site. He subsequently secured patent for the balance of the quarter and should the church site ever revert to the Crown, he would reasonably be

J. C. Campbell, Esq.,

Your memorandum hereunder shows that William Townsend owes a balance of $11.83 in connection with Seed Grain Relief, &c. Does the statement include the sum of $4.00 paid by Mr. Townsend and reported in the Agent's return of the 8th ultimo? (see his letter of the 9th January,1917, on File 1768184)

Application is made for a refund of the sum of $204.05 on behalf of Hans Hoel, and in Mr. Agar's letter (3997023) he states that Mr. Hoel owes for relief the sum of $75.00.

Your statement (see File 2039998) shows that Mr. Hoel is indebted to the Department for more money than has been received, and as Mr. Townsend has sold the improvements (see Ref.3871057 on File 1747120) to Mr. Hoel,and Mr. Townsend apparently still owes a balance to the Department, should not this balance be deducted from the sum of $204.05 paid for improvements and applied on Mr. Townsend's indebtedness for Seed Grain, Relief, etc.

Replying to your Memorandum of the 12th inst. I would advise you that the $4,00 paid by Mr. Wm. Townsend was not credited to him, and I have accordingly amended statement on further investigation. It would seem that the sum of $7.83, the amount due for the liquidation of Mr. Townsend's indebtedness, should be applied from the improvement money available, namely $224.05, before dealing with the case of Pine Pool.

M E M O R A N D U M:-

Mr. [illegible],-

Mr. William Townsend's entry for the S.E.¼ of 9--9--10, West 4th Meridian, was cancelled. Re-entry has been granted for the land and $224.05 paid for improvements.

The report of Mr. Homestead Inspector Huntley of the 13th March, 1916, sets forth that the improvements are worth $216.00 and that Mr. Hans Hoel claims that he is the owner of the improvements.

On the 9th February, 1917, the Agent of Dominion Lands, Medicine Hat, was requested to notify Mr. Townsend and Mr. Hoel that $224.05 had been paid for the improvements, and that an application for a refund would receive consideration but it would be necessary for the two parties named to establish who was the actual owner of the improvements.

Reference 1871057 is a letter from Mr. William Townsend which reads in part as follows,-

> "These improvements were on the N.E.¼ of 9-9-10, but I moved them to the S.E.¼ to be near my well, but in selling the place to said Hans Hoel the improvements were included in the deal and therefore he is entitled to all recompense."

In view of the foregoing do you consider Mr. Hans Hoel the owner of the improvements which have been paid for and is he entitled to a refund of the sum of $224.05, and if so the amount should be applied on his indebtedness for fodder and relief amounting to $238.70 with interest.

Mr. Townsend still owes a balance of $7.83 for relief, and the Seed Grain Branch have stated that this sum should be applied from the improvement money available.

Do you consider that a requisition should be made out for $7.83 to liquidate Mr. Townsend's indebtedness and also one for $216.00 to be applied on Mr. Hoel's indebtedness, or should the sum of $224.05 be applied on the indebtedness of Mr. Hoel ?

Sir,

Referring to your letter of the 5th January last, I am to say that your application on behalf of Mr. Hans Hoel for a refund of the value of the improvements on the N.E.¼ of Section 9, Township 9, Range 10, West 4th Meridian, will receive further consideration if Mr. Hoel will send here an order from Mr. William Townsend, to pay the amount, which should be stated in the order, to Mr. Hoel and a full explanation as to the sale of the improvements on the quarter section referred to.

By instructions Mr. J. K. Agar was informed that his application on behalf of Mr. Hans Hoel for a refund of the value of the improvements would receive further consideration if Mr. Hoel would send here an order from Mr. William Townsend to pay the amount, which should be stated in the order.

In the letter of Mr. Townsend of the 2nd instant he states as follows:-

"This is to certify that I sold my homestead with the improvements to Hans Hoel and as I had the buildings on my pre-emption so as to be near my well, the place was cancelled before he could move the buildings therefore he is entitled to all recompense for the buildings on the South West ¼ of Section 9, in 9, 10, being one hundred and forty dollars. My homestead was the N.W.¼ of 9--9--10--4, and as this deal was put thru in order to get said Hans Hoel's original ¼ included in an antelope reserve and Maxwell Graham the man who made the reserve gave us to understand that he would fix everything up in good shape for us so there would be no trouble."

William Townsend.

Mr. Townsend obtained letters patent for his homestead and abandoned his pre-emption entry.

The sum of $204.05 was collected for improvements made by Mr. Townsend on his pre-emption.

It was recommended by a member of your staff on the 15th January, 1917, that the sum collected be applied to Mr. Townsend's account in connection with the advance of Seed Grain, Fodder & Relief.

A statement of the account was prepared showing that the total indebtedness was $277.74. Interest being computed to the date of the receipt into the Department of the moneys paid for improvements effected by him on his former pre-emption.

The suggestion was approved but before action was completed a remittance was received from Mr. Townsend and interest on the indebtedness charged to the date of Mr. Townsend's payment. The payment amounted to $278.[illegible]. If interest on the original account was charged only to the date of the receipt of the payment for improvements it would have been more than sufficient to cancel all indebtedness. It would appear that $6[illegible] might have been refunded to Mr. Townsend.

Mr. Townsend made a further payment of $4.00 and according to the last statement made is still indebted to the Department to the extent of $7.83.

Kindly advise me whether an adjustment could not be made on the original statement. (See memorandum prepared by your Branch on the 15th January, 1917, File #1747120).

Re- Wm. Townsend.
Pat. Homestead- NW- 9-9-10-4
Cancelled Pre-emption -SW- 9-9-10-4

The patented homestead of Mr. W. Townsend the NW quarter was sold to Mr. Hans Hoel, on which certain moveable improvements have been placed by Mr. Hoel and transferred by Mr. Townsend to his pre-emption entry the SW. quarter which has since been cancelled by Mr. John G. Evans.

The payment of $278.00 on account of Seed Grain and Fodder was made on the 28th. November, 1916 by Mr. Townsend per R.S. Beattie, evidently to clear title to the homestead entry, of which letters patent was forwarded to the Registrar at Calgary on the 16th. April, 1913.

On the cancellation by Mr. Evans of the pre-emption entry the SW. quarter, he paid the sum of $216.00 and $8.05 interest for improvements, of this amount $140.00, the moveable improvements transferred from the patented homestead entry the NW. would appear to be the property of Mr. Hoel.

The balance $84.05 on improvements on the pre-emption entry of Mr. Townsend, I presume may now be applied to Seed Grain indebtedness, and as this will create an overpayment, I would suggest after first applying the improvement monies as per statement, that a refund be made from the Seed Grain payment made on

Re: Account of Hans Hoel

S.E. 1-7-10 W. 4.

The mattter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain. fodder and relief amounting to $238.70 were advanced to Hans Hoel on the security of the above mentioned land. A payment of $217.80 was received in 1916 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 33.88	$ 65.30	$ 99.18

Patent was issued in the name of William Townsend for the N.W. 9-9-10 W.4 on the 12th of March, 1913, and later became subject to the advances obtained by Hans Hoel in 1915. The S.E. 1-7-10 W.4 was formerly the homestead entry of the debtor whoe entry was later cancelled and the land is still unalienated Crown land held in the right of the Province and is presently included in a reserve for an Antelope Park.

Payments amounting to $217.80 were received by l[illegible] leaving only a small balance of $33.88 outstanding.

In view of the substantial payments already re[illegible] it is recommended that the balance of the indebtedness b[illegible] cancelled and the liens discharged.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that in the years 1920 and 1922 one Anders Andersen received from the Province of Alberta advances of feeder in the extent of $303.47, giving as security land liens against the North half of Section 30, Township 11, Range 7, west of the 4th Meridian, supported by Chattel mortgages on four head of horses and some farm machinery, and having defaulted in repayment, one half the amount due thereon became chargeable to the Dominion under the provisions of an agreement in that regard.

The amount due on those advances as on August 31st, 1927, was $449.70 and the debtor having applied for a compromise settlement, an investigation was made by the Director of the Debt Adjustment Act of Alberta, disclosing the facts as per a copy of his report attached hereto, that the applicant is situated in a drought area, has had a succession of crop failures, has effected a compromise settlement with his other creditors and that the chattel security is now of little value through depreciation. The Director therefore suggested and accepted, pending approval, a payment of $375.00 representing the principal advances in full plus fifty per cent of the accrued interest charges.

The Committee appointed by your Excellency in Council on November 22nd last, P.C.2200, to deal with the apportionment and adjustment of indebtedness incurred through advances of seed grain, feeder or relief, a copy of whose report is also attached hereto, unanimously recommends that said payment of $375.00 be accepted in full settlement of the account and that the balance due, being $74.70, one half of which, or $37.35, is the responsibility of the Dominion be written off.

The undersigned, therefore, in view of the recommendation of said Committee as above set forth and under and by virtue of the provisions of Section 1, of the Act 17, George V., Chapter 31, recommends that said payment of $375.00 be accepted in full settlement and that authority be given to discharge and release the balance due His Majesty in the

right of the Dominion, both as to principal and interest in respect of the fodder advanced to the said Anders Edwardson hereinbefore referred to, and to take any action necessary to clear the Land Titles Office in respect of the registration of all liens, bonds or mortgages given as security therefor.

Respectfully submitted,

Minister of the Interior.

Sir,-

N.W. ¼ Sec. 20 Tp. 11 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second Homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Messrs Edwardson, Sc.,

Sir,-

N.[illegible] ¼ Sec. 13 Tp. 11 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to transfer the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

In reference to the above, and in further reference to our telephone communication this morning, we may say, although we are not attempting to instruct you what to do to make Mr.Bolen pay the Government what he owes it, we would suggest that Mr.Bolen be called upon to pay up this indebtedness to the Government at once as we have a client who is in the unfortunate position of having purchased land from Mr.Bolen, and which is now saddled with this indebtedness to the Crown. We do not think for a minute that the Government intends that an innocent party should be injured by the acts of another, who is responsible for the cloud on the title.

Re: Account of Wm. Edward Bolen
S.W. 21 & S.E. 20-12-19 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $217.36 were advanced to Wm. Edward Bolen on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$217.36	$422.26	$639.61

Patent was issued in the name of William E. Bolen for the S.W. 21-12-19 W. 4 on the 3rd of November 1919, subject to the 1915 liens. The S.E. 20-12-19 W. 4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 29th of August 1924, and the land is now included as part of the Lethbridge Northern Irrigation District.

In 1929 the S.W. 21-12-19 W. 4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province. This quarter section is now under the jurisdiction of the Department of Municipal Affairs, Province of Alberta, and is covered at present by a long term grazing lease. It is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any other purpose than grazing. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

DEC 1

The undersigned, therefore, in view of the recommendation of said Committee, and under and by virtue of the provisions of Section 1, of the Act 17, George V., Chapter 31, recommends that said payment, divided on a pro rata basis between the seed grain and the fodder-relief accounts, be accepted, and that in consideration thereof authority be given to take any action necessary to clear the records of the Land Titles Office in connection with the North West quarter of Section 14, Township 1, Range 13, West of the 4th Meridian, in respect of the registration of the lien for $[illegible].00 given in favour of the Crown in 1920 by the said Frederick William Tyce hereinbefore referred to.

Respectfully submitted,

Minister of the Interior.

12th May, 1922.

TO THE EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that in the year 1920 one Frederick William Fyes became indebted to the Crown in the joint and equal right of the Province of Alberta and the Dominion by way of an advance of fodder and relief totalling $285.00 made to him on the security of land liens against the West Half of Section 24, Township 1, Range 13, West of the 4th Meridian, supported by chattel mortgages on twenty-two head of livestock and a complete set of farm machinery. In the same year he became indebted to the Crown in the sole right of the Province by way of an advance of seed grain totalling $269.00.

The Netherlands Investment Company of Canada who hold a mortgage on the North West quarter of this land amounting to over $900.00, in priority to the liens in favour of the Crown, and who are about to take title, have remitted the sum of $50.00 with the request that said liens be released therefrom.

The Director of the Debt Adjustment Act of Alberta, a copy of whose report is attached hereto, states that the amount now due on the Company's mortgage exceeds the value of the land; that the Crown holds additional security in land liens against the South West quarter and in the chattel mortgages; that the debtor has offered the Company a transfer of the North West quarter in satisfaction of the mortgage and that if they were forced to foreclose the Crown liens would be deleted from title.

The Committee appointed on November 22nd last under P.C. 2200 to deal with the apportionment and adjustment of indebtedness incurred by way of advances of seed grain, fodder or relief, a copy of whose report is attached hereto, unanimously recommends, that said payment of $50.00 be accepted and divided on a pro rata basis between the seed grain and the fodder-relief indebtedness and that the Crown liens be released from title to the North West quarter.

The undersigned, therefore, in view of the recommendation of said Committee, and under and by virtue of the provisions of Section 1, of the Act 17, George V., Chapter 51, recommends that said payment, divided on a pro rata basis between the seed grain and the fodder-relief accounts, be accepted, and that in consideration thereof authority be given to take any action necessary to clear the records of the Land Titles Office in connection with the North West quarter of Section 24, Township 1, Range 13, West of the 4th Meridian, in respect of the registration of the lien for $285.00 given in favour of the Crown in 1920 by the said Frederick William Kyes hereinbefore referred to.
